Our Story

In 2009, two neighbors got together over some home-made chips, salsa and guacamole and decided to launch District Taco as a food truck. District Taco has since grown and now operates multiple locations in and around Washington DC.

Our mission is to serve quality Mexican (Yucatan style!) food that is fresh, simple and healthy. All of our food is made fresh daily from quality ingredients. We strive to limit our impact on the environment by serving in environmentally-friendly packaging where possible.

If at any time your experience at District Taco is less than the best, please come speak with us and let us know so we can make it right. You may also contact us at taco@districttaco.com.

As we say, "Orale!" which roughly translates to "Right On!"
