PRIVATE EVENTS

The room that “daylights” as the Skylight Shoppe spends its evenings and weekends serving as the Skylight Room, a fantastic venue for private events. This expansive space is 1,800 square feet with a large central fireplace flanked by a pair of couches creating an intimate, relaxed atmosphere for cocktail receptions or seated dinners. There is also a baby grand piano and a handsome 25-foot cherry wood bar. For more information on private events in the Skylight Room, please inquire with a manager.
