baked goods, coffees & tea

Baked Goods:

Coffy will be offering a small assortment of baked good including breakfast pastries, cake slices, cup cakes and cookies. While most items will be created by outside bakers there will be a selection of home made items.

Coffees:

Our specialty coffees use beans ground on-the-spot and made via the European, "Counter Culture" method of brewing which creates a finer, sweeter espresso with a light "crema." This is combined with hands-on (vs. automatic machine) frothing of milk into micro-beads to create a foamier, sweeter, richer latte. Coffy is pleased to be able to present specialty coffee beans from a variety of regions roasted by local and national roasters.

Tea:

Coffy presents a selection of fine green, black, herbal and dessert of teas through the Art of Tea. Carry out or stay in with our pick-your-own tea service; we offer a choice of unique cups, saucers, teapots or coffee pots for in-house use.
