

1/2 POUND BLENDED REV BURGERS*

All ingredients hand mixed on site and then broiled to seal in their natural flavors. We use only all natural, hormone/antibiotic free 100% Angus beef from cows raised in a stress free open pasture environment and fed a 100% natural grass diet with no GMO's. Burgers are formed fresh, never frozen, made to order on site and char-broiled to seal in their natural juices. Buns are baked and delivered fresh daily. Served with lettuce, tomato, onion, pickles, and our Adobe Rev Sauce.

Rev Burger - Founded 2014

WHY WE ARE HEALTHIER AND TASTE BETTER

Why is this restaurant happening now?
Why is it named Rev Burger and who are the crazy folks who decided to start this new business?

Burgers, chicken, hot dogs, fish, bacon, and sausage are all natural, free of hormones, antibiotics, preservatives, artificial ingredients, and added nitrites/nitrates.

Burgers are hand formed on site, never frozen, and broiled to seal in its natural flavors.

Fry-less seasoned fries - 168 calories, best in town, 1/2 the calories, twice the taste.

Fry-less gluten free chicken tenders - 130 calories, 27% less calories and 1/2 the fat vs KFC.

Organic soft serve frozen yogurt - 180-220 Calories.

Shakes made with organic yogurt - 293-358 calories, 40-50% less calories than McDonalds and Culvers

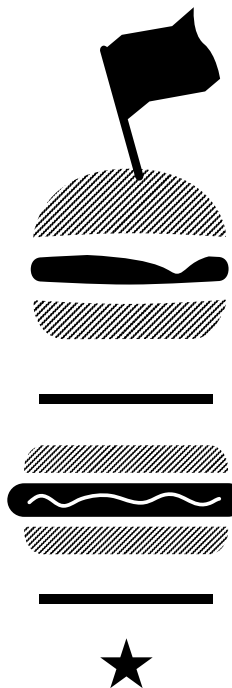

Organic black bean burger

Gluten free bun available

Fry-less seasoned sweet potato tots with 1/2 the calories

If that isn't enough, order all this wonderful food on ipads at your table and then play games.

So WE are the crazy folks who decided to open Rev Burger - Wendy and Bill Spatz. We love to dine out and we do that quite often. We simply saw the need for just this sort of establishment, where we would want to eat.
We call it Rev Burger. Revolutionary!
