ABOUT J-STEAK

いきなりステーキ
IKINARI STEAK

ORDER CUTS [Japan Cut]

Choice of Ribeye, Sirloin, or Filet.

Each slice of meat is freshly cut in front of you based on your requested weight.

We call it "Japan Cut". You can have your steak as thick as you like.

So how hungry are you?

**We set the minimum order of grams to keep the thickness and provide our guests with the best steak experience.*

**Your steak is priced by weight (in gram units).*

**Actual weight may vary.*

HOW IT'S DONE

Choice of Rare, Med-Rare, Medium, Well-Done.

We strongly recommend Rare because we believe you will enjoy the flavor of meat the fullest.

SPECIAL J-SAUCE

J-Sauce is our special blend of soy sauce based steak sauce.

Pour it on the sizzling platter and enjoy the flavor.

It is a perfect match for steak and rice.

We are sure you will love it!

ADDITIONAL FLAVORING

We provide Garlic paste, Mustard, Wasabi, and more for

additional seasoning for you to add different flavors to

enhance the experience of your steak.

Discover your favorite!

Executive Chef & Founder
Kunio Ichinose

*** Ikinari Steak is a Non-Tipping restaurant ***

100 locations throughout Japan, including over 60 locations in Tokyo City alone.
Quick access to Great quality steak. Perfect for your meat craving!

HOW TO ENJOY OUR SPECIAL

Wild Chuck-Eye
steak

- *The Platter will be heated to **over 550F** upon serving.
DO NOT TOUCH! DO NOT POUR THE SAUCE! (yet)*
- *Steak will be served **BLUE RARE**,
LEAVE IT on the platter and allow it to cook to your desired
temperture. Use your fork to rotate the steak if necessary.
You can enjoy the steak as soon as the surface turns brown.*
- *Carefully Pour our House Special Soy based Sauce.
(Shake well before pouring onto your steak)*
- ***FINALLY ENJOY!***
Help yourself to Garlic paste / mustard / wasabi etc, as you enjoy your steak.
*Your steak didn't reach your desired temperature? or it cooled down while you were eating?
Just ask your server and we will reheat the platter for you!*
