

PIZZERIA SERIO

Serious Brick Oven Pizza

At Pizzeria Serio we serve a classic thin crust pizza. Our pizza was inspired by the Pizzaiolas that immigrated to the US from Italy and started the first pizzerias, some of which are still in existence today. Based on those same Old World recipes, all of our Pizzas start with hand stretched dough then a layer of Sauce made from Whole Plum Tomatoes and 100% real Mozzarella Cheese. We then cook them in our Brick Oven at 800 degrees for a Seriously great taste. We hope you enjoy eating our Pizza as much as we enjoy making it!
