Beer & Bacon Flight

Jowl Bacon with Half Acre Pony Pils

A very decadent cut of bacon from the
Face of the pig is contrasted nicely by
The fresh crisp locally made pils.

Pepper Bacon with Lagunitas IPA

The spice of the cracked pepper corns
Mingles well with the citrus flavors of this
Classic IPA.

Brown Sugar Bacon with Off Color Scurry

The sweetness of the sticky brown sugar is
Complimented by the malt flavors of this
Local ale made with honey and molasses.

Beer & Sausage Flight

Chicken Muchacho with Metropolitan Krankshaft

The spice of the jalapeño and tequila in
The sausage is tempered by this smooth
And easy drinking kolsch beer.

Lamb and Spinach Sausage With Brickstone APA

The intense flavors of the lamb and
Spinach need a great food beer like this
APA to provide some hops and malt to the mix.

Beer and Bacon Sausage with Lagunitas IPA

Our signature sausage is made with bacon
And Lagunitas IPA so it's a no brainer
To wash it down with some more IPA.
