| the hakushu 18yr                                                                                                                                                                                         | 73 |
| <i>founded in 1970 on the forested slopes mt. kaikoma, 50 miles west of tokyo, the suntory-hakushu distillery produces whisky of distinction with subtle smoke and pronounced green herbal character</i> |    |
| the hibiki 12yr                                                                                                                                                                                          | 25 |
| the hibiki 17yr                                                                                                                                                                                          | 44 |
| <i>meticulously blended from suntory's finest single malt and aged</i>                                                                                                                                   |    |

# Bites / Fare / Manger

*grain whiskies from around japan, the hibiki is the company' s most balanced and harmonious spirit.*

the yamazaki 18yr 73

*japan' s oldest distillery, founded in 1923 south of kyoto at the confluence of the katsura, uji, and kizu rivers. supple, complex, and fruit-driven, the yamazaki is considered by many to be the supreme expression of single malt japanese whisky.*

nikka 'coffey grain' 21

*in scotland masa-san fell in love with the whiskies made on the unique coffey still. he always wanted to have one, and when he opened his second distillery his wish came true. a mash bill of 95% corn makes this for lovers of bourbon.*

nikka 'yoichi 15yr' 55

*located on hokkaido, japan' s north island, the nikka-yoichi distillery experiences a climate remarkably similar to that of scotland, and produces a classic style driven by an intense peaty and smoky character*

nikka 'miyagikyo 12yr'

45

*founded four hours north of tokyo in miyagi prefecture. this single malt whisky is less peaty than its northern counterpart, taking on more profound fruit character from aging in sherry casks.*

nikka 'taketsuru pure malt' 22

nikka 'taketsuru 17' 63

nikka 'taketsuru 21' 73  
*nikka' s masterful, impossibly precise taketsuru blended malt whiskies display a harmony of fruit, smoke, and sherry-cask notes equaled only by the very best scotland can offer*
