CELLAR SELECTIONS

This collection is a mosaic of sorts - a compilation that pays homage to the benchmarks, traditionalists and pioneers of outstanding craftsmanship. As such, it's a privilege for us to offer wine of this prestige to you by the *2oz. taste* or *5oz. glass*.

These relics and works of art are difficult to come by and in many cases, tightly allocated. Whether you're driven by academic curiosity, impulse and hedonism, or the sheer love of incredible wine, any one of these wines can easily be the gem of the night.
