

## Ski WEEK (8 days)

*This tour is a fine blend of "petrol-headonism" and alpine indulgence.*

Riding a Ducati along the coastal roads of the French Riviera in winter is a dreamlike experience. Especially, as the Mediterranean offers pleasant riding temperatures all year round. But there is more to this tour. We will transfer you to the Mercantour skiing resort, where we have organised a treat: you will be taught to drift cars on ice and get to ride snowmobiles. In addition, you have 3 days of skiing or snowboarding ahead of you. All of which is enhanced by blue skies, delicious food and fine wine.

### OUTLINE

Pick-up from Nice airport and transfer to your 4-star hotel. Meet for the tour and safety briefing in the evening.
