**Please let us know about any food allergies.**

Although we make every effort to keep shellfish and other allergens separate, shellfish and other allergens are present in our kitchen. Therefore, we cannot guarantee separation, and cannot take responsibility for any adverse reaction that may occur.

Eating raw or undercooked foods may increase the risk of foodborne illness. Also, please note that while infrequent, there could be pieces of shell or bone in our fish and shellfish.

**WARNING: Drinking distilled spirits, beer, coolers, wine and other alcoholic beverages may increase cancer risk, and, during pregnancy, can cause birth defects.**
