

Plan the Perfect Event in Atlanta

Welcome to The Commerce Club. As the city's premier business club, The Commerce Club is the perfect place to plan and host your meeting, special occasion, rehearsal dinner or wedding. We have a grand ballroom for larger meetings and celebrations, or select one of our private dining rooms or boardrooms for more intimate meetings and gatherings.

Who We Are

Established in 1960, The Commerce Club has been an Atlanta tradition for more than 50 years, providing the finest cuisine and service to business and professional men and women who share a common interest in the healthy development of Georgia. In comfortably relaxed surroundings, the political, business and civic leaders of our city and state come to know each other as friends, working together to make Atlanta and Georgia grow and prosper. Years of involvement by some of the city's brightest and most successful business and community leaders have truly made The Commerce Club an Atlanta institution. The original club was located at 34 Broad Street, located in the Fairlie-Poplar District of downtown Atlanta. In 2010, it merged with the One Ninety One Club and moved to its current location on the 49th floor of 191 Peachtree Street NE, expanding its membership and furthering its mission to bring together the leaders of Atlanta.
