

The Fraser Balgowan Experience

Owning a Fraser Balgowan bag is something that is enjoyed by only a select few. Traveling to the heart of the brand's Scottish Highland home to create your own bespoke bag is a joy fewer still will ever have the opportunity to experience.

Will you be one of only a handful of people to spend three unforgettable days being given the undivided attention of the deerstalker and the designer?

If you are, then you can expect to take away memories that will last a lifetime. Together, Fiona and Ewan Fraser will share with you the secrets of the Scottish Highlands and their way of life.

You will go deerstalking with Ewan Fraser in order to shoot Scottish wild red deer, and take away an understanding of how both the land and these noble creatures are managed sustainably. And you will work with Fiona Fraser to create your very own bespoke Fraser Balgowan bag using the hide of your deer.

Throughout your stay you will experience 21st century Scottish luxury. Your chauffeur driven car will whisk you from any of Scotland's three international airports and deposit you at the door of the **spectacular 19th century Inverlochy Castle**, which today doubles as a 5 star hotel with Michelin starred dining.

Whilst you are here perhaps you will be tempted to add single malt whiskey tasting, hill walking, sightseeing, fly fishing or spa treatments to your tour? All can be arranged.

If you would like to experience the Fraser Balgowan label rather than simply wearing it, then email customers@fraserbalgowan.com or call +44(0)1540 670079 Fraser Balgowan directly for more details.
