A MESSAGE FROM THE CHEF

In preparation for opening Kin Kin, I spent a month in Thailand traveling urban markets, contemporary restaurants and traditional eateries, re-engaging with the culture. Bangkok is one of the most vibrant culinary cities. I wanted to bring the food, and even the pop culture influences, back to Texas diners. I brought together all of my favorite Thai flavors into one menu. I hope you enjoy sampling these dishes as much as I enjoyed creating them.

Chef Eddy T.
