
OUR STORY

Topgolf came to life in 2000, after two brothers were practicing their swings at a driving range and boredom took hold. Why wasn't there a place where they could work on their game and have fun with their non-golfing friends and family? The brothers began brainstorming ways they could liven up their practice experience. Soon, the traditional driving range concept was transformed into a sports and entertainment venue for all ages, all skill levels, all year-round.

The Topgolf experience evolved yet again 16 years later with the opening of the flagship location here in Las Vegas. Featuring 108 hitting bays on four levels, Topgolf Las Vegas provides breathtaking views of The Strip. Guests can take a dip in one of two pools, dance along to live music, shop and have golf clubs custom-fitted, or sip on cocktails in the historic Riv Bar, one of five bars at Topgolf Las Vegas. Plus, with multiple event spaces and cabanas, Topgolf is the perfect destination for private parties and corporate entertainment.

Topgolf's vision is to create the best times of your life. What are you waiting for? Let's Play!
