Hedonism

*Blended Rare Grain,
Aged Scotch Whisky*

Hedonism is unusual in the Scotch whisky world: a blended grain Scotch whisky. It is very rare to see 100% grain whisky bottlings in Scotland. Going back 100 years, grain whisky brands were more common, but they were overtaken in popularity by the big brands of blended Scotch, which promised both grain whisky and malt whisky. For *Hedonism*, only old casks of Scotch grain whisky are used. Compass Box only produces *Hedonism* once a year, when they find casks with the right flavor profile.

Tasting Notes

Elegant flavors of vanilla cream, toffee, coconut

GLENMORANGIE

18 Years Old

*Blended Rare Grain,
Aged Scotch Whisky*

The 18 Years Old is a single malt Scotch whisky of serious distinction. Once it has spent fifteen years maturing in American white oak casks approximately 30% is transferred into Spanish Oloroso casks to spend a further three years maturing. Then, when both elements have reached 18 years, it is blended back together to create a whisky with a rich bouquet and full, rounded flavor.

For whisky of this age this expression has maintained, thanks to the delicate floral spirit and fine Oloroso casks, an incredible degree of vibrancy where the raisiny sweetness of the sherry has been toned down by the nuttiness of the American oak.

Tasting Notes

Aroma: Rich, rounded and sweet with dried fruits and a complex floral fragrance.

Taste: Balanced between honey, malt and flowery scents. Dates and figs emerge in the background with a hint of wood smoke.

Finish: Long and enticing with the sweetness of dried fruit and subtle dryness of Oloroso nuttiness.

KNAPPOGUE CASTLE

Twin Wood 16 Year Old

Single Malt Irish Whiskey

The greater age of this Knappogue expression serves to enhance and intensify the flavor of this single malt whiskey; and the sherry finish adds a further layer of taste complexity. The result is an Irish malt whiskey that ranks with the very best of the world's single malts.

The best of the Knappogue Castle 1994 vintage distilled single malt was aged for just over fifteen years in bourbon barrels.

The whiskey was then put into casks especially seasoned for Knappogue using Oloroso Sherry.

Tasting Notes

Aroma: Intensely aromatic; rich, malty, fruity, spicy, nutty, vanilla, dusty dark chocolate, good age complexity.

Taste: Very deep and complex, nutty sherry maltiness, fruity, dusty dark chocolate, spicy, pleasant woodiness, vanilla notes, slightly peppery, some sweetness, mellow and rounded.

Finish: Nice sherried maltiness, some sweetness and dark chocolate lingering.

TUTHILLTOWN SPIRITS

'Hudson Baby' Bourbon Whiskey

Hudson 'Baby Bourbon' is the first bourbon whiskey to be distilled in New York. This single grain bourbon is made from 100% New York corn and aged in Tuthilltown's special small American Oak barrels. This unique aging process produces a mildly sweet, smooth spirit with hints of vanilla and caramel. The 'Baby' is Tuthilltown's first whiskey and the first legal pot-distilled whiskey made in New York since prohibition.

'Baby Bourbon' is a perfect introduction to aged whiskey spirits. It is mild and friendly, bright to the tongue, and warming all the way down. Very limited in production, each bottle is hand waxed and numbered.

The 'Baby' is Tuthilltown's most sought after spirit and has quickly become a true American classic.

About the Producer

Tuthilltown Spirits is one of the first boutique distilleries to open in NY since Prohibition. Opened 12 years ago by Ralph Erenzo, Tuthilltown Spirits is located in Gardiner, NY, a rustic corner of the Hudson Valley about 75 miles north of Manhattan.
