WELCOME TO GIDEON SWEET

After working together twenty years ago in the kitchen as mentor and protégé, we became great friends and always wanted to do a project together. We took everything we learned in a fine dining environment and stripped it down to what matters most. Our shared vision is celebrating great food, drinks and friendship. We created something we love and we hope you will too.

– MATTHIAS & GRAHAM

GIDEON SWEET is a rare heirloom apple considered a true keeper, with a rich history and pure flavor.

NASCHEN means “to nibble” in German and that’s part of the fun at Gideon Sweet. We want you to shape your experience, enjoying special dishes and drinks passed around the room.

ABOUT THE ARTISTS

BLINDED BY THE LIGHT

The work of artist Kelly O'Connor is inspired by a combination of memory, pop culture and fantasy. Drawn to the rich American idealism of the 1950's and 1960's, her art appropriates iconic imagery from the time period and creates a portal to past culture.
