

OMAKASE

Omakase offers three different fixed-price tasting menus that will take you through your senses. The culinary journey you experience will introduce you to the many flavors of Japanese cuisine with our fish flown in from the famous Tsukiji Fish Market in Tokyo, Japan. Omakase specializes in Edomae — traditional style sushi. We partner with chefs trained in the top restaurants of Tokyo. Premium sakes are individually selected to complement your meal as you enjoy the day's best selected fishes. Thank you for entrusting your taste buds to the chefs and for choosing Omakase.
